Name of Spouse: (if applicable) _____

BIOGRAPHICAL INFORMATION

Briefly describe your occupation or business:

I am responsible for managing the environmental restoration projects that Schlumberger is responsible for in North America. This includes "legacy" sites associated with Schlumberger's historic oil and gas support activities, as well as site associated with other corporate acquisitions that Schlumberger has acquired over the years.

Tell us about your student activities at Rice:

Rice Owl Football Team (Spring of 1973)
Rice Rugby Club
Baker College Freshman Advisor (Fall 1973)

How have you been involved with Rice since graduation?

Rice Engineering Alumni Board of Directors (2000-2003)

Are you involved with other community or professional groups?

Air Waste Management Association (AWMA)
Society of American Military Engineers (SAME)

please continue to page 2

I am very interested in re-establishing my volunteer relationship with the university. I see many areas where my ability to motivate and mobilize other Rice alumni can be used to improve on the overall level of alumni participation. My experience as a President of the REA Board of Directors has provided me with some insight on the challenges faced in coordinating the efforts of volunteers, and has enabled me to develop the necessary skills to become effective in managing group dynamics.

For Office Use Only: 2007
