OPTIONAL PERSONAL STATEMENT *(recommended for board candidates)*

I believe that Rice University has played a significant role in making me the person I am today and I feel a sense of responsibility to give back to the university with my time and resources. Rice helped shape my character, placed me on my career path, gave me lifelong friends, and helped me meet my wife, Amy Sutton. Many of my best friends to this day are people I met at Rice.

Rice has committed to a challenging new campaign to continue on the path set by Edgar Odell Lovett and now stands poised to enter its second century as a true world-class university. I would like to contribute my time and energy to help Rice achieve this audacious goal. I feel that many of the things I learned at Rice and that I've learned after leaving Rice are skills that could add value to the ARA and to Rice overall.

I am very familiar with Rice and its ideals, organizational structure, and practices.

I have served on the boards of several nonprofit organizations in Houston and I'm acquainted with the responsibilities that such service entails. I would welcome the opportunity to serve in whatever capacity the ARA sees fit.
